Personal Qualities

This section is asking about why you in particular should be a moderator.

Why do you think you should be a moderator yourself? *

1 point

I'm mostly on discord a lot. I've been seeing some people that do stuff against rules, and some people don't have enough members in the team to work it out. I can help by having my dms open, anyone can ask questions, have issues etc.

Please check your qualities on the list below. *

- ☒ Active enough to monitor server
- ☒ Friendly and polite
- ☒ Willing to help those who need it
- ☒ Good communication
